

## **Kurichiyil Fishing Village**

(Thalassery Municipality)

### ***Profile of Kurichiyil Fishing village***

This fisheries village is spread over three wards of Thalassery Municipality. The coastal wards of this village are 30, 32 and 35. The village has a total of 764 houses and 886 households are living there. Among them, 145 are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 48.17 percent houses are pucca, 43.59 percent are semi-pucca and 8.25 percent houses are kachha houses. Less than one fourth of the existing houses (22.38 %) in the village have sanitary toilets. Safe drinking water is available to 76.44 percent of the existing houses. Most of the houses in the village (86.65 %) are electrified. It is noted that 667 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 51 persons are covered under the old age pension scheme and 12 persons are covered under widow pension scheme during 2007-08 in this village.

This village has one PHC and two sub-centres. The village has two LP schools and one UP School. Out of the three anganawadis two of them are functioning in its own building. This village has 23 roads of length of 55.680 km, 14.60 Km drainage, 9 culverts and one bridge. The village has 165 street lights and 112 of them are functional. It is noted that 30 country fishing boats are available in this fisheries village. And a total of 38 kerosene permits are issued to the fisher folk in this. This village has one landing centre, 1 government ice plant, 2 private ice plants and one market. The village has an unprotected coastal length of 1 km. Consumption of liquor and narcotic drugs are moderate in this village.

The results of situation analysis and needs and requirements are presented in Tables 29 and 30 while the financial requirements are given in Table 31.
