## Pallissery Fishing Village

(Dharmadam Gram Panchayat - Thalassery Block)

## Profile of Pallissery Fishing Village

This fisheries village is spread over three wards of Dharmadom Gram Panchayat. The coastal wards of this village are 12, 13 and 14. The village has a total of 1020 houses and 1140 households are living there. Among them, 120 are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 64.02 percent houses are pucca, 32.84 percent are semi-pucca and 3.14 percent houses are kachha houses. Most of the existing houses (93.73 %) in the village have sanitary toilets. Safe drinking water is available to 98.43 percent of the existing houses. Most of the houses in the village (98.43%) are electrified. It is noted that 301 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 39 persons are covered under the old age pension scheme and 9 persons are covered under widow pension scheme during 2007-08 in this village.

This village has two sub-centres, one taluk hospital and one ayurveda hospital. The village has one UP School, two High Schools and two Higher Secondary Schools. Twenty eight anganawadis are functioning, out of which 10 are functioning in own building. This village has a network of 27 roads of 28.600 km length, 11 culverts and one bridge. The village has 140 street lights and 38 of them are functional. It is noted that 47 country fishing boats are available in this fisheries village. And a total of 121 kerosene permits are issued to the fisher folk in this. This village has one landing centre, one private ice plant and two markets. The two markets are not functional at the time of the survey. The village has an unprotected coastal length of 0.5 km. Consumption of liquor and narcotic drugs are moderate in this village.

The results of situation analysis and needs and financial requirements are presented in Tables 16 and 17.
