Kollam Fishing Village

Quilandy Municipality

A Brief Profile of the Kollam Fishing Village

Kollam fisheries village is spread over four wards of Quilandy Municipality. The coastal wards of this village are 1, 38, 39 and 40. The village has a total of 518 houses and 562 households are living there. Among them, 49 households are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 44.40 percent houses are pucca, 43.24 percent are semi-pucca and 12.36 percent houses are kachha houses. About 90.93 percent of the existing houses in the village have sanitary toilets. Safe drinking water is available to 79.73 percent of the existing houses. Most of the houses in the village (90.73 %) are electrified. It is noted that 242 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 17 persons are covered under the old age pension scheme and 3 persons are covered under widow pension scheme during 2007-08 in this village.

Regarding the community specific facilities, this village has one sub-centre. The village has one LP School. Three anganawadis are functioning in this village and two of them are functioning in rented buildings. This village has a network of 8 roads of length 3.65 Km and 0.50 Km drainage. The village has 51 street lights and 36 of them are functional. About the fisheries specific infrastructure and facilities, it is noted that 122 country fishing boats are available in this fisheries village. And a total of 68 kerosene permits are issued to the fisher folk in this. The village has a coastal length of 2 Km out of which 1.80 Km is protected. Consumption of liquor and narcotic drugs are acute in this village.

The results of situation analysis and needs and requirements are presented in Tables 57 and 58 while the financial requirements are given in Table 59.
