Maradu Fishing Village

(Beypore Gram Panchayat - Kozhikode Block)

A Brief Profile of the Maradu Fishing Village

Maradu fisheries village is spread over four wards of Beypore Gram Panchayath. The coastal wards of this village are 1, 16, 17 and 22. The village has a total of 480 houses and 529 households are living there. Among them, 54 households are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 43.33 percent houses are pucca, 48.54 percent are semi-pucca and 8.13 percent houses are kachha houses. About 90.63 percent of the existing houses in the village have sanitary toilets. Safe drinking water is available to 75.21 percent of the existing houses. Most of the houses in the village (97.92 %) are electrified. It is noted that 227 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 14 persons are covered under the old age pension scheme and 4 persons are covered under widow pension scheme during 2007-08 in this village.

Regarding the community specific facilities, this village has one PHC. Ten anganawadis are functioning in this village and four of them are functioning in own buildings. This village has a network of 13 roads of length 19.50 Km and two culverts. The village has 34 street lights and 20 of them are functional. About the fisheries specific infrastructure and facilities, it is noted that 110 country fishing boats are available in this fisheries village. And a total of 57 kerosene permits are issued to the fisher folk in this. The village has nine ice plants and two fish market and the two fish markets are not in the coastal area. The village has a coastal length of 3.50 Km, out of which 2.80 Km is protected. Consumption of liquor and narcotic drugs are moderate in this village.

The results of situation analysis and needs and requirements are presented in Tables 43 and 44 while the financial requirements are given in Table 45.
