

Educational Infrastructure Development Projects

The state of government-run educational institutions in coastal areas was once dire, with many buildings in disrepair due to lack of proper maintenance and funding. However, through significant efforts and intervention, the state government has successfully addressed over 70% of the critical issues present in the coastal education sector. The Kerala State Coastal Area Development Corporation Limited has undertaken the development of 143 coastal schools, investing Rs. 179 crores in the effort. Additionally, the conversion of 57 coastal schools into Centers of Excellence, utilizing funding from KIIFB, has greatly improved the overall state of education in coastal regions.

SI No	Project	Year of sanction	Outlay (Rs. in lakh)
	Trivandrum		
1	Renovation of Govt LPS, Perumathura	2011-12	70.00
